“ Dan Volkmer and his team welcomed our questions and concerns, matched us with perfect buyers, sold our house so quickly, were always positive-thinking and so very skilled. During the inspection process, they did a great job of helping us find service providers to get our house in shape. Without hesitation, we would be happy to recommend the Dan Volkmer team and we give them a round of applause! Dan, Mardi, Burdean, and Kishra all exceeded our expectations at every turn. They were always there when we needed them! ”
