

"We feel so fortunate to have found you and your capable, efficient and professional team. There were so many factors that made this a seemingly difficult listing, a pandemic, out-of-state clients, and a house with many 'quirks.' We can't imagine how we would have managed without you! The Volkmer team's expertise in the NW neighborhood was apparent throughout. We will be sure to recommend you to everyone we know that is looking to buy or sell in Portland."

— Kimberly and Christian Buss

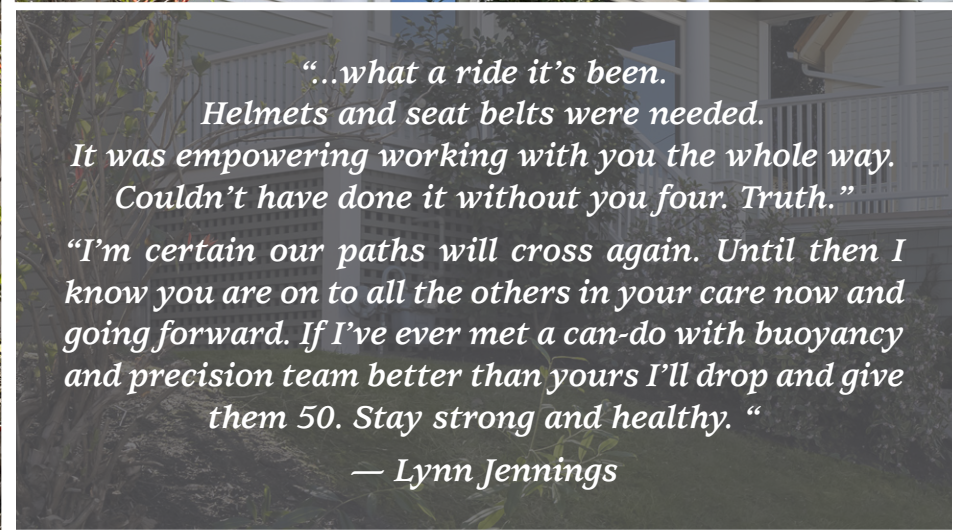

"I've been meaning to send back this feedback for some time. I want to thank you all again for helping with the sale of our house during what was an incredibly stressful time. I realize this could not have been very easy for you despite all of your experience doing this. I chose your team originally based on your reputation, and was not disappointed with all of the effort and expertise."

— Matt Brodsky

"We had a great experience selling with the Volkmer team. Our house needed a little work to get ready to sell and they did an amazing job at finding people to do the work and get them scheduled. It was a huge relief to have someone doing this so we could focus on moving. Once the house was ready we put it on the market and had several offers within a week. They helped guide us through all the negotiations and paperwork to close the sale. If you want a true full-service realtor, The Dan Volkmer Team is a great choice."

— Matt Keogh & Jessica Hubbs

*"...what a ride it's been.
Helmets and seat belts were needed.
It was empowering working with you the whole way.
Couldn't have done it without you four. Truth."*

"I'm certain our paths will cross again. Until then I know you are on to all the others in your care now and going forward. If I've ever met a can-do with buoyancy and precision team better than yours I'll drop and give them 50. Stay strong and healthy. "
